Each SOW shall specify: (a) a detailed scope of Services; (b) milestone dates, acceptance criteria, and project schedules; (c) the applicable staffing plan and key personnel; (d) project-specific Deliverables; and (e) the commercial fee structure (whether fixed-fee, time and materials, or recurring subscription fees). Each SOW shall constitute an independent agreement incorporating the terms of this Agreement. In the event of an irreconcilable conflict between the body of this Agreement and any SOW, the body of this Agreement shall control unless the SOW explicitly identifies the specific section of this Agreement to be superseded.

2.2 **Performance Standards.** Service Provider covenants and agrees that it shall perform all Services: (a) in a diligent, prompt, professional, and workmanlike manner; (b) in strict accordance with the highest recognized industry standards; (c) in full conformity with the functional and technical specifications set forth in the applicable SOW; and (d) in compliance with all applicable federal, state, and international laws, rules, and regulations.

2.3 **Personnel and Key Staff.** Service Provider shall assign qualified, vetted, and thoroughly trained personnel to perform the Services. If an SOW designates specific individuals as "Key Personnel," Service Provider shall not reassign, remove, or substitute such Key Personnel without Client's prior written consent, except in cases of illness, disability, or voluntary termination of employment. In the event any Service Provider employee or contractor fails to adhere to Client policies or professional conduct standards, Client may request removal, and Service Provider shall promptly furnish a qualified replacement at no additional charge.

2.4 **Subcontracting.** Service Provider shall not delegate, assign, or subcontract any portion of the Services without obtaining the prior written approval of Client in each instance. Any permitted subcontractor shall execute a written agreement binding such subcontractor to confidentiality, data security, and intellectual property terms at least as restrictive as those contained in this Agreement. Service Provider shall remain solely, fully, and unconditionally responsible and liable for the acts, omissions, defaults, and performance of all approved subcontractors.

SECTION 3. ACCEPTANCE, TESTING AND CLIENT COOPERATION

3.1 **Acceptance Testing.** Within fifteen (15) business days following delivery of each milestone or Deliverable ("Review Period"), Client shall evaluate and test the Deliverable against the acceptance criteria agreed upon in the applicable SOW. 3.2 **Cure and Re-Testing.** Upon receipt of a rejection notice under Section 3.1, Service Provider shall, at its sole cost and expense, rectify all identified deficiencies within ten (10) business days (or such other period mutually agreed in writing) and resubmit the corrected Deliverable for re-testing under Section 3.1. If the Deliverable fails acceptance upon second submission, Client may, at its sole discretion: (a) extend the cure period; (b) accept the Deliverable with an equitable fee reduction; or (c) immediately terminate the affected SOW and obtain a full prompt refund of all amounts paid for the non-conforming Deliverable.

3.3 **Client Responsibilities.** Client agrees to provide timely access to its technical personnel, facilities, documentation, and cloud environments to the extent reasonably necessary for Service Provider to perform the Services. Service Provider shall not be liable for project delays directly and exclusively caused by Client's failure to provide required approvals or access, provided that Service Provider promptly notifies Client in writing within forty-eight (48) hours of encountering any such Client delay.

SECTION 4. FEES, EXPENSES AND PAYMENT TERMS

4.1 **Fees.** Client shall pay Service Provider the professional fees set forth in each SOW ("Fees"). Except as expressly set forth in an SOW, Fees are non-refundable and constitute the full and comprehensive compensation for all labor, materials, hosting, management, and Deliverables provided by Service Provider.

4.2 **Reimbursable Expenses.** Client shall reimburse Service Provider only for actual, reasonable, pre-approved out-of-pocket travel and lodging expenses incurred in performing the Services, provided that all travel expenses strictly comply with Client's written corporate travel policy and are substantiated by itemized receipts submitted within thirty (30) days of incurrence.

4.3 **Invoicing and Payment.** Service Provider shall submit monthly itemized electronic invoices to Client's designated accounts payable department. Client shall pay all undisputed invoice amounts within thirty (30) calendar days following receipt of an accurate invoice ("Net 30"). If Client in good faith disputes any invoice portion, Client shall pay the undisputed portion on time and provide written notice of the disputed items within twenty (20) calendar days of invoice receipt.

4.4 **Taxes.** All Fees stated under this Agreement are exclusive of applicable federal, state, local, or value-added sales, use, excise, or withholding taxes. Client shall be responsible for paying all sales and value-added taxes properly assessed on the Services, excluding any taxes based on Service Provider's net income, capital, gross receipts, property, or payroll.

SECTION 5. INTELLECTUAL PROPERTY RIGHTS AND OWNERSHIP

5.1 **Client Ownership of Client Data.** As between the Parties, Client retains sole, absolute, and exclusive proprietary ownership of, and all Intellectual Property Rights in and to, all Client Data and all confidential or proprietary business processes disclosed to Service Provider. Service Provider acquires no right, title, or interest in or to Client Data other than the limited, revocable, non-exclusive license to process Client Data solely to perform the Services as authorized under this Agreement.

5.2 **Work Made for Hire and Assignment of Deliverables.** Service Provider explicitly acknowledges and agrees that all custom Deliverables created, developed, or prepared for Client under any SOW shall be deemed "works made for hire" under the United States Copyright Act (17 U.S.C. § 101 et seq.) to the maximum extent permitted by law. To the extent any Deliverable does not qualify as a work made for hire, Service Provider hereby irrevocably, unconditionally, and exclusively assigns, transfers, and conveys to Client all right, title, and interest throughout the universe in and to such Deliverables, including all Intellectual Property Rights therein.

5.3 **Service Provider Pre-Existing Technology.** Service Provider retains sole ownership of all pre-existing software, generic algorithmic frameworks, core utilities, and pre-existing IP developed independently prior to the Effective Date or outside the scope of this Agreement ("Pre-Existing Materials"). To the extent any Pre-Existing Materials are incorporated into or necessary to exploit the Deliverables, Service Provider hereby grants to Client a perpetual, irrevocable, worldwide, non-exclusive, fully paid-up, royalty-free, transferable license (with full right to sublicense) to use, execute, reproduce, display, perform, modify, and distribute such Pre-Existing Materials as embedded in the Deliverables.

SECTION 6. CONFIDENTIALITY AND NONDISCLOSURE

6.1 **Non-Disclosure Obligations.** The Receiving Party covenants and agrees that it shall: (a) preserve and protect the confidentiality of all Confidential Information of the Disclosing Party using the highest standard of care, and in no event less than a reasonable degree of care; (b) not disclose, disseminate, or transfer any Confidential Information to any third party without the express prior written consent of the Disclosing Party; and (c) not use the Confidential Information for any commercial, competitive, or operational purpose other than the performance of its obligations or exercise of its rights under this Agreement.

6.2 **Permitted Disclosures.** Receiving Party may disclose Confidential Information solely to its employees, officers, directors, attorneys, financial auditors, and permitted subcontractors who have a bona fide need to know such information for the purposes of this Agreement, provided that such recipients are bound by written confidentiality obligations at least as restrictive as those contained in this Section 6. Receiving Party shall remain fully responsible for any breach of this Section 6 by any person or entity to whom it discloses Confidential Information.

6.3 **Exclusions from Confidentiality.** The obligations of Section 6.1 shall not apply to any information that Receiving Party can demonstrate by clear and convincing documentary evidence: (a) is or becomes publicly available through no act, omission, or breach of this Agreement by Receiving Party; (b) was already lawfully in Receiving Party's possession prior to disclosure by Disclosing Party without confidentiality restrictions; (c) is independently developed by Receiving Party's personnel without reference to or reliance upon Disclosing Party's Confidential Information; or (d) is lawfully received from a third party without duty of confidentiality.

6.4 **Compelled Disclosure.** If Receiving Party is required by applicable law, regulation, subpoena, or valid order of a court of competent jurisdiction to disclose any Confidential Information, Receiving Party shall: (a) provide prompt written notice to Disclosing Party within forty-eight (48) hours of receiving such subpoena or order (to the extent legally permissible); (b) cooperate fully with Disclosing Party, at Disclosing Party's reasonable expense, in seeking a protective order or confidential treatment; and (c) disclose only that portion of Confidential Information strictly required by law.

6.5 **Return or Destruction of Confidential Materials.** Upon the expiration or earlier termination of this Agreement, or upon Disclosing Party's written request at any time, Receiving Party shall promptly, and in any event within ten (10) business days: (a) return to Disclosing Party all tangible copies of Confidential Information; (b) securely delete, wipe, and destroy all electronic copies, extracts, and summaries thereof from all storage media, servers, and devices; and (c) deliver to Disclosing Party a written certification signed by an authorized corporate officer confirming complete return or destruction.

6.6 **Injunctive Relief.** The Parties acknowledge and agree that any violation or threatened breach of this Section 6 may cause irreparable harm for which monetary damages alone would be inadequate. Accordingly, Disclosing Party shall be entitled to seek immediate injunctive relief, specific performance, and other equitable remedies in any court of competent jurisdiction without the requirement of posting a bond or proving actual monetary damage.

SECTION 7. DATA PRIVACY AND SECURITY SAFEGUARDS

7.1 **Information Security Program.** Service Provider shall establish, maintain, and enforce a comprehensive written information security program that contains administrative, technical, physical, and organizational safeguards designed to: (a) ensure the absolute confidentiality, integrity, availability, and resilience of Client Data; (b) protect against anticipated threats, cyberattacks, or hazards to the security of Client Data; (c) protect against unauthorized access, use, disclosure, modification, or destruction of Client Data; and (d) comply with SOC 2 Type II, ISO/IEC 27001, and NIST Cybersecurity Framework standards.

7.2 **Data Encryption.** Service Provider shall encrypt all Client Data in transit across public networks using TLS 1.3 (with strong forward secrecy ciphers) and at rest across all disks, databases, block stores, and backup media using AES-256 encryption. Service Provider shall manage cryptographic keys independently with automated rotation at least every twelve (12) months.

7.3 **Security Incident Notification.** Service Provider shall notify Client in writing immediately, and in any event within twenty-four (24) hours, upon becoming aware of or reasonably suspecting any confirmed or attempted security breach, unauthorized access, ransomware event, data exfiltration, or loss affecting Client Data ("Security Incident"). The notification shall describe the nature of the incident, the categories and approximate number of data subjects impacted, and immediate remedial steps undertaken. Service Provider shall preserve all forensic logs and provide full cooperation to Client's incident response team.

7.4 **Compliance with Privacy Regulations.** To the extent Service Provider processes personal data on behalf of Client, Service Provider shall comply with all applicable data protection laws, including the EU General Data Protection Regulation (GDPR), the California Consumer Privacy Act (CCPA/CPRA), and the UK GDPR. Service Provider shall act solely as a Data Processor/Service Provider and shall not sell, retain, or share personal data for cross-context behavioral advertising.

SECTION 8. REPRESENTATIONS AND WARRANTIES

8.1 **Mutual Representations.** Each Party represents, warrants, and covenants to the other Party that: (a) it is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation; (b) it has full corporate power, authority, and legal right to enter into and perform this Agreement; and (c) the execution, delivery, and performance of this Agreement does not conflict with, violate, or result in a breach of any other contract, court decree, or legal instrument to which it is bound.

8.2 **Service Provider Performance Warranty.** Service Provider represents and warrants that: (a) the Services will be performed in accordance with Section 2.2; (b) the Deliverables will substantially conform to the specifications set forth in the applicable SOW for a period of ninety (90) days following acceptance ("Warranty Period"); and (c) the Services and Deliverables will not introduce any virus, trojan horse, worm, backdoor, time bomb, or other malicious code into Client's systems.

8.3 **Non-Infringement Warranty.** Service Provider represents and warrants that neither the Services, Deliverables, Pre-Existing Materials, nor any component thereof, will infringe, misappropriate, or violate any patent, copyright, trademark, trade secret, or other intellectual property or proprietary right of any third party.

8.4 **DISCLAIMER OF IMPLIED WARRANTIES.** EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 8, NEITHER PARTY MAKES ANY WARRANTIES, EXPRESS OR IMPLIED, AND EACH PARTY HEREBY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

SECTION 9. INDEMNIFICATION OBLIGATIONS

9.1 **Service Provider General Indemnification.** Service Provider shall defend, indemnify, and hold harmless Client, its Affiliates, and their respective officers, directors, employees, agents, successors, and permitted assigns from and against any and all Losses arising out of, resulting from, or relating to any third-party claim, action, suit, or proceeding alleging or asserting: (a) gross negligence, willful misconduct, or intentional fraud by Service Provider or its personnel; (b) any breach by Service Provider of its confidentiality obligations under Section 6; (c) any Security Incident, data breach, or violation of data privacy laws under Section 7; or (d) any bodily injury, death, or physical property damage caused by the acts or omissions of Service Provider.

9.2 **Intellectual Property Infringement Indemnity.** Service Provider shall defend, indemnify, and hold harmless Client and its Affiliates from and against any and all Losses arising out of or resulting from any third-party claim alleging that the Services, Deliverables, software, or Pre-Existing Materials infringe, misappropriate, or violate any patent, copyright, trademark, trade secret, or other Intellectual Property Right of any third party. The indemnity provided under this Section 9.2 shall be uncapped and not subject to the limitation of liability provisions in Section 10.2.

9.3 **Carve-Outs to IP Indemnity.** Service Provider shall have no indemnification obligation under Section 9.2 to the extent, and only to the extent, that the alleged infringement arises directly from: (a) modifications to the Deliverables made by Client or any third party not authorized in writing by Service Provider; (b) the combination, operation, or use of the Deliverables with hardware, software, or data not supplied, recommended, or approved by Service Provider, where the Deliverables alone would not be infringing; or (c) Service Provider's strict compliance with detailed, non-standard technical specifications furnished exclusively by Client.

9.4 **Client Indemnification.** Client shall defend, indemnify, and hold harmless Service Provider and its officers, directors, and employees from and against any Losses arising out of any third-party claim alleging that: (a) Client Data, when used in accordance with this Agreement, infringes or misappropriates any third-party Intellectual Property Right; or (b) Client's use of the Services violates applicable law or regulations.

9.5 **Indemnification Procedures.** The indemnified party shall: (a) promptly notify the indemnifying party in writing of any claim (provided that failure to give prompt notice shall not relieve the indemnifying party of its obligations except to the extent materially prejudiced thereby); (b) grant the indemnifying party sole control over the defense and settlement of the claim; and (c) provide reasonable cooperation at the indemnifying party's expense. The indemnifying party shall not settle any claim that admits liability or imposes financial or operational obligations on the indemnified party without its prior written consent.

SECTION 10. LIMITATION OF LIABILITY

10.1 **Waiver of Consequential Damages.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, EXEMPLARY, OR MULTIPLE DAMAGES, OR FOR ANY LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF REPUTATION, OR LOSS OR CORRUPTION OF DATA, REGARDLESS OF THE THEORY OF LIABILITY (WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE), EVEN IF ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES.
